Re: Formal Application for Increase in Deposit Fee

This is an application to increase our deposit fee to \$80.00 (from \$50.00).

The justification for this increase is due to:

- Return checks that can't be collected
- When customers move and have a delinquent water bill + late charges, we very seldom locate the customer for collection of that bill.
- The \$50.00 was approved by the PSC in April 1999. Since that time Madison County Utilities District has incurred two water rate increases from our provider, Richmond Utilities.

All the above reasons have caused our expenses from the bank (return check charges) to office personnel (attempting to find and/or collect these charges) to increases in our purchasing of water for our customers to increase exponentially.

A copy of this application have been sent to the Office of the Attorney General, 100 Perimeter Park, Frankfort, KY 40602

Sincerely,

John C. Clark  
Manager
